- The application must be completed in its entirety.
- **❖** All requested documents must accompany the application.
- Copies of the requested documentation are acceptable.
- **❖** The name change application fee of \$150 must accompany the application.

COMPLETION OF THE APPLICATION FOR CORPORATION NAME CHANGE

FEE FOR LICENSURE
The name change application fee is \$150. A check, money order, or cashier's check made payable to the California Board of Accountancy must accompany the application.
APPROPRIATE USE OF CORPORATE NAME
The name of the firm must meet the requirements set forth in Section 5060 of the Business and Professions Code and Section 75.5 of Title 16 of the California Code of Regulations. Because Board staff is unable to provide guidance regarding firm structure and whether a particular firm name will be considered false or misleading by your clients, licensees are encouraged to contact their legal counsel for guidance.
COPY OF THE AMENDED ARTICLES OF INCORPORATION
The amended Articles of Incorporation must be endorsed and approved by the California Secretary of State. The name on the amended Articles of Incorporation must match the name on the name change application. Information on filing amended Articles of Incorporation is available on the California Secretary of State's Web site at www.ss.ca.gov/business .
SHAREHOLDERS, DIRECTORS, AND OFFICERS
Pursuant to Section 5154 of the Business and Professions Code, except as provided in Section 5079 of the Business and Professions Code and Section 13403 of the Corporations Code (Moscone-Knox Professional Corporation Act), each director, shareholder and officer shall hold a valid license to practice public accountancy. The list of shareholders, directors, and officers must be completed on the Board's name change application.

Pursuant to Section 5158 of the Business and Professions Code each office of an accountancy corporation engaged in the practice of public accountancy in this state shall be managed by a certified public accountant (CPA) or public accountant (PA).

OUT-OF-STATE SHAREHOLDERS
Section 5154 of the Business and Professions Code requires each CPA/PA shareholder to hold a valid license to practice public accountancy.
An out-of-state CPA or PA wanting to practice in California must file an application for licensure as a CPA and meet the requirements set forth in Sections 5087 and 5088 of the Business and Professions Code, as well as Section 21 of Title 16 of the California Code of Regulations.
NONLICENSEE OWNERS
Section 5079 of the Business and Professions Code permits minority ownership of public accounting firms by individuals who are not licensed CPAs or PAs. This section applies to both accountancy corporations and accountancy partnerships.
At initial licensure and at license renewal, Section 51 of Title 16 of the California Code of Regulations requires firms with nonlicensee owners to certify that any nonlicensee owner(s) with his or her principal place of business in California has been informed of the rules of professional conduct applicable to accountancy firms.
This declaration must be signed by a licensed shareholder of the firm (see page 3 of the application).
The number of licensed shareholders must be greater than the number of nonlicensee shareholders. The only exception is that a firm with two shareholders may have one shareholder who is a nonlicensee.
A nonlicensee can be an officer of the firm, either vice president and/or secretary, if the nonlicensee is not a shareholder of the firm. A nonlicensee cannot be both a shareholder and an officer of the firm. A nonlicensee cannot be a director of the firm.
ACCOUNTANCY CORPORATION DECLARATION STATEMENT
The declaration statement(s) must be signed and dated by an officer who is a licensee with a valid license to practice public accounting. Firms with nonlicensee shareholders must complete the nonlicensee owner(s) declaration (see page 3 of the application).
SHAREHOLDER SECURITY FOR CLAIMS AGAINST CORPORATION AGREEMENT
Section 75.8 of Title 16 of the California Code of Regulations requires an accountancy corporation to provide and maintain adequate security for claims against it by its clients arising out of the rendering of, or failure to render, professional services. Security for such claims must consist of either maintaining insurance in the amount specified in Section 75.8(a)(1) or by agreeing to jointly and severally guarantee payment by the corporation of its liabilities to its clients specified in Section 75.8(a)(2).
CPA/PA shareholder(s) and nonlicensee shareholder(s) must complete and sign the Shareholder Security for Claims Against Corporation Agreement by selecting either Alternative #1 or Alternative #2 on the application for licensure (see page 4 of the application).
CORPORATION RENEWAL CYCLE
Pursuant to Sections 5070.5, 5070.6, 5070.7 and 5070.8 of the Business and Professions Code, an accountancy corporation license must be renewed every two years to remain in good standing. The expiration date is based on the month and year the Board originally approved the application.
If approved in an even-numbered year, the license will expire each even-numbered year on the last day of the month in which it was originally approved. If approved in an odd-numbered year, the license will expire each odd-numbered year on the last day of the month in which it was originally approved.

The Board mails renewal forms with instructions approximately two months before the firm's license expiration date. If your renewal form is not completed, mailed, and postmarked by the license expiration date, your firm's practice rights cease until all deficiencies are corrected, and the license is renewed by the Board.

An expired corporation license may be renewed up to five years after the license's expiration date. A license that is not renewed within five years is cancelled and cannot be renewed, restored, or reinstated.

☐ CHANGE OF FIRM NAME, ADDRESS, AND/OR SHAREHOLDERS

Section 3(b)(1) of Title 16 of the California Code of Regulations requires a licensed firm to notify the Board of any change in its address within 30 days after the change. Section 75.11(b) of Title 16 of the California Code of Regulations also requires each accountancy corporation to report to the Board any and all changes of address, corporate name, and shareholders within 30 days of any such change, giving both its old and its new addresses or names.

If you are changing the firm's address or telephone number or adding or disassociating a shareholder without changing the firm's name, you may notify the Board on firm letterhead.

If the firm's name is changing as a result of adding or disassociating a shareholder, you must complete the *Accountancy Corporation Name Change Application*. The firm's name change must be approved by the Board before the firm can hold out and practice under an amended name. A copy of the Amended Articles of Incorporation endorsed and approved by the California Secretary of State must accompany the application.

■ DISSOLUTION OF AN ACCOUNTANCY CORPORATION

To dissolve an accountancy corporation, you must contact the California Secretary of State and file a Certificate of Election to Wind Up and Dissolve with a Certificate of Dissolution. Information about dissolving a corporation is available on the Secretary of State's Web site at www.ss.ca.gov/business.

Upon completion of the above, submit a letter to the Board stating the firm has dissolved and provide the effective date. Upon receipt of the letter, the firm's license will be cancelled.
